

Friends-

Bluegrass Tomorrow and [Bluegrass Youth Sustainability Council](#) are partnering to host the April 19th 2017 Idea Festival and TED Lex Youth Event @ EKU's Center for Arts.

This event will offer ~800 students opportunities to

- present to and learn from their peers in a TED Talk format
- explore pathways in a Career Maker Faire

Our team is accepting applications for a 5-10 minute TED Talk and would be delighted if you might share **this application link** to your Speech and/or Drama students (and any other teachers whose students may be interested).

This is the 2nd annual Idea Festival and TED Lex Youth Event.

To view TED Talks from 2016 IF, please see the below links which feature several of your students.

Application Deadline: **Tuesday April 11th**.
Public Speaking coaching offered as needed or requested.

We are measured not only by what we create, but what we refuse to destroy.

In the end, we will conserve only what we love. We love only what we understand. We will understand only what we are taught.

UNLESS someone like you cares a whole awful lot, nothing is going to get better. It's not.
